[b] Institution 2, City, Postal code, Country
e-mail: xxx@xxx.xx.xx

Keywords: (3-5 words)

Abstract text: Please use Times New Roman, 11-point font size except for the title which should be presented in 13-point font or larger. The title and author list should be presented centrally, while the paragraphs of the abstract should be justified. The presenting author's name should be <u>underlined</u> in the author list. A contact e-mail address of the **corresponding author only** should be provided. References should be cited in the text and should appear on the bottom of the first page [1]. References can be in any style or format as long as the style is consistent.

Abstracts are limited to one page of text (450 words maximum), and a second optional page with up to four figures/tables. The abstract should explain clearly the content and relevance of the paper. Authors are recommended to use DOCX or PDF as the file format. Students are asked to use the **IAMU AGA21** web-site to register and upload their abstracts. The abstract submission deadline is the **15th of March 2021**.

The theme of the IAMUS is **Challenges of new technology and IT applications in international maritime industry**.

Submission of an abstract will be taken to imply that it represents original work and that it has not been previously published or considered elsewhere for publication. Please be aware that authors are responsible for the English language quality of the text. Notification of acceptance will be given to the corresponding author by the **15th of April 2021**.

Selection for oral or poster presentation will be made by the International Program Committee.

Students with accepted abstracts will be invited to submit a PowerPoint presentation for their research. Submitting a full paper version is left to the student's preference (optional), instructions to prepare the full paper will be emailed together with the notification of the abstract acceptance. The PowerPoint presentation will be requested by the **15th of June 2021**.
